**Important Memo to Michigan Standardbred Breeders:**

This is our annual membership drive. Now more than ever we need your participation. Breeders Awards were cut 61% more than any other program in our 2010 appropriation. In addition, Breeders Awards have not yet been paid for 2010. As a 2009 Breeders Award recipient, you have a stake in Michigan harness racing and need strong advocacy for your interests by the MSBA. We have taken a firm stand on restoration of Breeders Award funding in the 2011 budget, and we need your input and financial support. As the horsemen's association exclusively devoted to working for your needs as breeders, we are asking you to join this push to preserve Breeders Awards. Please take a few minutes to complete this questionnaire and return it as soon as you can. Your answers and \$30 MSBA dues are an important investment in this effort.

**I would like the MSBA to represent my interest as a breeder.**     Active Breeder     Inactive Breeder
